*Priority*

Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Taiwan on 05/09/2003. It is noted, however, that applicant has not filed a certified copy of the 92112695 application as required by 35 U.S.C. 119(b).

**REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: Claim 1 requires a respiratory mask with an **air impermeable** shield. Although reference to Montesi (US 4,630,604) teaches a shield (see fig.3, 14) made from an air impermeable material, i.e. metal (see col. 4 lines 4-9), however present of perforated surfaces (fig.5, 42a) permitting passage of air into and through the shield (see col.7 lines 38-40) does not define over **impermeable** shield as claimed. Therefore, the subject matter as presented in claim 1 is considered patentable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
